

Delhi Tourism and Transportation Development Corporation
(A Govt. of Delhi Undertaking)

Global Invitation for Expression of Interest from Consultants of providing Architectural Services for Development of Modern Sports School at Ghewra, West Delhi

Delhi Tourism and Transportation Development Corporation invites Expression of Interest from Architecture Consultants providing Architectural Services for Development of a **Modern Sports School at Ghewra in West Delhi.**

Eligibility: The consultant should have previous experience in developing at least one **National/ International Level Sports or Education related campus** with project cost of not less than Rs. 50 Crore (INR 500 million or equivalent amount) during last seven years. Joint Ventures with Indian Partners are permitted.

Envisaged Facilities: The vision is to develop the Sports School as a specialised fully residential school providing excellent academic and training environment for talented children/youth. The specialised school project is to be developed for the Directorate of Education, Government of Delhi.

The demanding academic environment today places a lot of pressure on young athletes, leading most of them to abandon their sporting aspirations in favour of their studies. In mainstream schools, resources given over to sports development are often limited as the focus is usually directed towards a quality academic education. The Sports School is to help nurture the talent among its students to achieve excellence both in the sports arena and in class.

The school shall be a fully residential school upto Class XII with entry level at Class VI. The student population is estimated as 450 with an intake of 60 students every year. The campus shall provide for all related teaching and training facilities as well as residential facilities for teachers and trainers/ coaches etc.

The Site: The Project is to be developed on a 90 acre (36.4 Hectare) plot at Ghewra in Western Part of Delhi near Haryana border. The closest rail-link is available at the Ghewra Railway station and Road access is available from National Highway-10. The Delhi Metro will be providing Metro link upto Mundka station which is about 2 km away from the site.

Details Required in the EOI:

(I) Profile of the firm, Certificate of Incorporation, Audited Annual Accounts for the last three years, Company structure and shareholding pattern. In case of Joint Ventures the details as above in respect of all the firms constituting the JV including letter of consent are required.

(II) Details of experience in planning and design of **National/ International level Sports or Education campuses** over the last seven years along with Details of any pending litigation with any Central or State Government Body in India.

The Expression of Interest should reach the office of the Executive Engineer (MB), DTTDC, 10th floor, Mayur Bhawan, Connaught Place, New Delhi- 110001 latest by 07/03/2007.
